**RE: Internal reference No. 373916.10**

Dear Sir or Madam,

Pursuant to the Freedom of Information Act (FOIA), Title 5 of the U.S.C. § 552, any person or his representative has the right to request access to federal agency records or information. All agencies of the United States government are required to disclose records upon receiving a written request for them, except for those records that are protected from disclosure by the nine exemptions and three exclusions of the FOIA.

In accordance with the foregoing, I am requesting true and correct copies of any and all:

Hazardous waste manifests, RCRA Subtitle C Site Identification forms, Form 8700-22, or other documents related to the reception, storage, disposal, and transportation of hazardous wastes, or documents related to the release into the air of hazardous materials for:

the business or businesses located at 6839 W Chicago St, Chandler, AZ 85226, which may have been doing business as either Ashland Distribution or Nexeo Solutions;

for the years 1992-2004.

I agree to pay any invoice for copies up to \$200.00. If the copies will cost more than this amount, please provide me with a quote and fee schedule before proceeding with copies.

Thank you for your assistance in this matter. Please contact me at the number below with any questions.

Sincerely,

*Alex McSwain*
